

9-16 SEPTEMBER 2017

Be Strong and courageous...For the Lord your God
will be with you wherever you go.

Joshua 1:9

Before you go or return to University why not take this time to re-fresh yourself along with other Christian students from universities world wide. Enjoy worship and teaching, fun and games, and explore North Wales. You could try surfing on an inland lagoon, trampolining underground, camp fire worship or just relax on one of the many beaches.
